Per Smiley:

Smiley and Gerry at the moment are emptying Cistern 3 into the Ocean.

Cistern 2 is filing Cistern 1 at the moment.

No water wagons for Chris on LSJ.

All Water wagons are on GSJ.

Wasted water into the Ocean that Chris could've been using for Lands=aping.

No. 3 Cistern & Pumps:

3 has been without a pump for the past 3-4month. Cistern 3 pump is not reset=ing and Smiley is unable to visually see the pump in Cistern 3 because of n= access to Cost-U-Less.

R/O Plant: Dean need to come out to check the water quality.
