Hi [REDACTED]

<=p>

The bone inlaid pieces would not be for us, however our specialist Jan Willem has requested additional images of the bronze mounted desk. Would you be able to provide additional images of the underside of the piece and the insides of the drawers and lock? This would be very helpful.

<=p>

Thank you

Lily

Hi Lily,

Mr. Epstein has the following pearl inlay furniture from Syria in storage in Palm Beach. Wondering if you might have any interest in any of it?

Best,

Sarah

Here what we have in the storage. The crates are all have been open and are damaged. For shipment new ones has to be made.
