Thank you. Please send the photo asap. Do you have any further information as to what he doesnt like about the ones he has there?

If I remember correctly the fish ones are just flat cloth. Could you also send me a few photos of the ones he doesnt like. I would like to have a look this morning as I have movers coming to 301 at lunch time so as soon as you are able to respond would be great.

Good morning,

JE has asked to get new soft table pads, he does not like the ones we have here. The only one that was fine - is the one with the fish, I will send the photo. I will start looking as well. Thank you!
