I spoke with Steve Hanson today. He's under the impression he is looking for=someone to replace ████████ on LSJ. Just confirming this is the case=as I'm helping him with the questions he has about staff on island and I'm n=t sure if it's OK to ask ████████ for these answers?

He's also working on a chef, but said nothing will really happen with either=position till the new year.

Left Didier a message. Will try him again tomorrow morning. =?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
