I'll shoot for tomorrow late afternoon for proofs. We can always leave extra material to allow for wrapping. Once I get final approval I can lock in a date for delivery. I will to my best to get it to you for Friday.

Also, I need an update on the other jobs we have proofed up until this point. We've done quite a bit of work and my accounting department curious as to whether those jobs are still live. Is it ok to charge the card we have on file for half of what was originally quoted and we'll charge the balance when the job is complete? Let me know. Thanks.

Thanks Bill. Do you think 2 extra inches all around the image will be enough material for stretching it on canvas? I would love to get this proof asap so we can try and have the final product by Friday of this week if possible?
