See attached airway bill from original order of pace clocks. They have the address correct except missing the "3" from suite B3. Even has FTC and Karens name. Still don't understand where they got delivered and how they would have been delivered to the wrong place.

Hello [REDACTED].

Please see attached pdf from TNT. This is the correct copy of shipment. Its not 100% clear but you will clearly see [REDACTED] name in the receiver box.. The letter 'B' IS on the address . It seems we have missed the letter 3.

There is NO mention of a number 5.

Kind regards

Steve Marshall
