Subject: Apartment Update

Lyn went over to the apartments on Dec. 19th. She said 11B had not been =leaned...just want to make sure you are not charged for any cleaning of =hat apt Sue.

Lyn cleaned 11B and spiffed up the other apartments. Lyn also sent =linens/towels to the cleaners from 11B and possibly other =apartments...not sure how many sets were sent.

It sounded like from lyn that there were no linens at all in 11P.

I think a check of the apartments needs to be done and perhaps more =linens and towels purchased?

Sue are you in town? Can you check the apartments and let us know if =hey are all set to go with towels? Lyn did confirm all the beds are =ade.

Also, Darren is no longer using a printer of his and is asking if an =partment might need a printer. It is here in our office.
