for some reason I don't have a receipt and don't see the order for his =hone in my account history. remember when I was freaking out cause I =hought I hadn't ordered since I couldn't find a receipt, but it turned =ut I had cause it arrived? so strange. I can't find any paper record on =t. You shouldn't really need anything though. You should be OK to just =ake it in and they can look up the info. let me know if there is any =pecific info they ask for while you're there=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
