JE did speak with Sultan yesterday. JE said Sultan may come out to Abu Dhabi to have lunch with him and someone else at the forum, and then we would go back to Dubai with Sultan, which would make me feel much better and taken care of! will keep you posted..

I feel as if they want me to stop asking type of thing! I emailed JE yesterday about Sultan...because he has also just said yes he will take care of a room at the atlantis and a heli to dubai but has given no other details...its possible they spoke (je and sultan) I just want to make sure its done but don't want to step on toes.
