ok, yes as far as I know it is the only one. It doesnt bring us luck that key, I also walked out with it once in my pocket when I meant to leave it at the door. It should be fine if we fedex it first overnight

I'm a dumb ass and accidentally took the key to [REDACTED] with me. I had it in my pocket to return to doorman on my way out and forgot to leave it. I'm going to try and fedex it tomorrow to arrive Monday morning to [REDACTED] to your attention. I think it's the only key we have to [REDACTED]

I spoke to the locksmith people and am putting in the order for the touch key pad as well
