[REDACTED] will be taking the sink over to [REDACTED] I'm not sure yet which bathroom sin= I will be using, I need to see them in person first. The lights I also nee= to see first. I ordered them just so I can see if I like them, and which o=e I like; not sure that I will even use them, but wanted to see them in the=space as an option. So please don't install any light fixtures yet. The ceiling fan however can be installed in the bedroom.

I will be back in NY on Thursday and can make all decisions then. Thanks
