Rich I had lon come and look at a new apartme=t that we need to have painted.

=e said it would take him approximately 5 days to paint.

He said you know how much he is paid for a day.

How much would this work out to be.

I have had 2 other people give me quotes of over \$4000 for the job today. This is more than I anticipated so I got another guy to come look and am currently waiting for his quote which I anticipate to be less than the other 2.
