Thanks [REDACTED]. Will you make sure the boxes and yellow duffle in the basement in hallway all go to plane tomorrow. Also, who is coordinating with [REDACTED]?

If that is what you recommend we will do so. Jojo I will have some things going from 71st which I am coming over to organize this evening. There will be a couple of boxes, a food bag and some photos I am sending to the island. Would you first like to collect the girls at 301 in the morning and then come to 71st where I will be to help load the frames, OR would you first like to collect the things at 71st and then collect the girls at 301?

[REDACTED] can you confirm that you are definitely going with tomorrow so Larry can add you to the passenger list.
