Indeed. I feel I shall be bored very quickly. So there is a list of attendee= of this thing, and they put my name on it under the heading Business Exper= Ha!! So JE introduces me to someone he's talking to and he asks JE what I=am an expert in. He says hunger(cause I eat so much). So now the dude thinks=I'm an expert in world hunger. Too funny. I need to get a copy of that list=!

AND..JE got a a gift bag which contained a 64GB 3G iPad with a customized co=er that says Sir Bani Yas Forum. Sweet.

It's crazy bright a=d hot outside and I'm forced to wear pants and a long sleeve shirt! Every t=me you come into the main lobby area, you have to put your bag through an X=ray scanner and go through a metal detector. And everyone here has to wear t=eze badges all the time otherwise security will stop you. Pretty crazy. It'= a really nice hotel, but I'm not quite sure why someone would come here fo= vaca. There's not much to do it seems other than the spa and camel riding.=Women aren't allowed to wear bathing suits or shorts at the main pool or in=public places. I'm guessing some of the villas have private pools. I have a=feeling I will have alot of alone time here..which I don't mind! I'm into m= book now and that always gives me something to do thanks to Apples brillia=t technology I can read anywhere on my phone ; ).
