hi [REDACTED]

..i want to ask you something: do you think i could get a=car while i am in st thomas? when i go work in the morning imad drives me f=om bolongo house to the harbor, but when i get back from work different peo=le have to drive me home because imad doesnt come home..he goes to the offi=e and stays there till late. those people are not too happy that they have t= drive me home. it is very uncomfortable. besides, i'm stuck to the house..=i cannot go out even for food, there is no store around.

what do y=u think? it is that possible?

thank you,
