Good Evening Ladies,

Sorry to say we need to get a new desk chair, it is working fine, but its highest level is not high enough for JE - I have placed this on the "Punch List" which I will forward to all parties PM=tomorrow, but I wanted to give you the "heads up" JE requested that I make contact with you [REDACTED] I have cc'd [REDACTED] as she purchased the blue desk chair which he said is too low Hoping this all makes sense Warmest regards [REDACTED]
