Hi Travis! Thanks again for all your help in organizing the trip! SO excited!
We will be at [REDACTED]. It's the Continuum North Tower.
You can give them my cell [REDACTED]
New York will be just fine for us to return to on the 4th.
Thanks again and have a great holiday!

I hope you're getting excited for the trip! I am working on the final final details and just have a few remaining questions:

Can you please tell me where you will be at 11:00am on 12/27 and what number is best to reach you at that time? I will arrange for a driver to take you to the airport for your noon departure to Antigua.

Can you please tell me where you will be going on 1/4 when you arrive back into New York? The flight will land sometime around 5:00pm.

Please let me know about these two questions by noon tomorrow. If you have any questions for me, please do not hesitate to ask.

Many thanks,
Travis
