Sweetheart,

As always, I =ure enjoyed being with you and Brian...You looked so smart in =our sun dress! !!

It makes me =ooooo happy and delighted to see the two of you so happy and in love. =rian looks the best he ever has looked. As you know, he is super bright =nd has a wonderful future ahead of him.

Here is the =eb site for the attorney I used <http://www.goldentraffict=cketlaw.com/> he charged me \$125 and got me off. If you decide to =se him, call them and only speak to John. Tell him you were =ferred by a successful client.

If you =ecide to retain him, he will ask for a credit card...BE SURE, you =sk him to email you a confirmation he is representing you so you =o not get in any problems for non-appearance in court. =o:p>

I hope you all are enjoying Disney....I am =oing to send you the invitations today for Ben and Meghann during the =hanksgiving week and I hope you all can make ALL of them with =s.....even Thanksgiving meal at the Sailfish. Let me know as soon =s you can so I can expand the reservations...
