███ mentioned you told ███ she could renovate her apt at 301. She is =urrently staying in 4M which we are switching out next week for apt 3M. =M has a renovated bathroom and kitchen that Anthony did, so that's all =ice and new. The paint job is good, just an off whitish slightly cream =olor, and the floors are a brown parquet with a gloss finish which look =ike they've been recently refinished. I would defiantly replace most of =he furniture from 4M. Is that something you want to let ███ choose, or =hould I take care of?
