I've been trying to put in a request for Sunday the 18th=of this month. JE said shouldnt be a problem he would have a better i=ea Monday that jut passed. Would mind checking on that for me today? It's f=r an engagement party my family is going to throw for us. I'm trying to pin=down a date so I can mail invites.

I that Sunday is no good a=y of the three Sundays after that would work just fine as well.

I'= at 71st today for a bit making jerky an working on some new stuff for JE. T=en I'm going to hunt for some serbig stuff this afternoon and will send you=some photos!

Thank you  
Francis
