Hi [REDACTED],

I am sorry to let you know that I cannot g= to San Antonio on the the 20th. I just learned that my sister has to leave=town for a personal emergency matter.

I told a friend of my situa=ion and she said why not visit her [REDACTED] instead to make use of my v=cation days. I replied that I have to let my employer thru you know about t=is.

[REDACTED], if you cancel it its alright but if Mr. Epstein approv=s it can I change my flight to [REDACTED] instead. If he approves it I like t= leave on October 22 , back to [REDACTED] on 27th, to meet my other Doctors appoin=ments, for the month.

The airport that my friend will meet me is [REDACTED]

Thank you.
