he =id not say "no" to Brice...he just answered on his own! Because =E answered on his own and did not have me ask Brice, today I asked if =e wanted me to ask Rich Kahn to answer (the thought being perhaps he =idn't want me to go to Brice, but it would be ok to go to Rich K...) =nbsp;Don't know! But, I do think Rich or Bella should know the =nswer since they write the paychecks? (or do the paychecks for =his type of help come from FTC?? I don't =now!)

Rachel Bova in Steve's office is obviously involved as =ell as the woman Judith (not sure who she is)...Rachel has also =equested a picture of the cottage (I assume the one the people/person =ould live in who take this position) I asked JE about getting a =icture yesterday and he did not respond

JE answered these =uestions below yesterday...It appears to me JE is looking for another  
=controller' if that is what you call it? I never know exactly =here JE's brain is and who is allowed to know what!  
Considering =e answered these yesterday and did not refer them to someone else, I =hought he would answer today's  
question as well...I do not know how =any work on the island or I would answer myself =..
