This ABC rug is still the closest I've found to the color you want. They had this floor sample silk rug which was 8x10 which was \$10,000 with 20% off that price. They could cut it down to the proper size if you want it quickly. Otherwise, we could order the 6x9 size and have it cut down to 6x8 which would be the ideal size. The price tag says the 6x9 is \$6400. Sacco didn't have anything in stock except some ugly traditional looking rugs with a bit of blue in it. We can look into having them do a custom rug if you like to get any color and design you would like. The Rug Company had nothing with this color either.
