Subject: Re: Water in 10N

for some reason apt 10N has it WAY worse than any other apt.

It is true it is not used on a regular basis, but the water comes out brown for 10 minutes before clearing. Should we use some Draino in =here? Larry Visoski, our pilot, stayed in 10N recently and he is the =ne who said it took 10 minutes for the water to come out clear...
