It was =eally good to see you and [REDACTED] on Saturday. You both are super happy =hich makes me happy...

I want to =ive the two of you a very special gift. Get some place quite together =nd open this site and listen with all your HEART to this powerful =essage....afterwards...sit still and discuss it AND then pray =ogether.

Remember, couples who pray together-stay together. =esus Christ IS the glue of your marriage.....

It is =xactly what I have been talking with you about and, believe me, it will =less your hearts and strengthen your faith!!
