Yes, I think she definitely needs to do at least one of the apts before she leaves. She needs to see what she will be in charge of as well if hired. Is 11B the only one that needs cleaning?

No been helping at 71st with Lyn. She seems good, am sure she will manage [REDACTED] with no problem. I could test her on 11 B tomorrow but Lyn will moan as JE is leaving and will want the help here. But I think it would be good to test her out there as will she not be helping there if we empty her. OMG...what a dream to have someone clean and do the laundry and make the bed all at once.

What has her sister been doing? Has she worked at [REDACTED] at all?

I said I would liaise with you as she has asked but ultimately we will have to wait for instruction from JE. Do you want to check what his thoughts are on this? Let me know if you want me to do it.
