Continuum Master Update
January 29, 2013
ROAD CLOSURE</iv>

Dear Residents,

Please be advised that on Wednesday, January 30, 2013, the West lane of South Pointe Drive entering into the Continuum on South Beach will be closed to pour the second floor slabs and columns for the new restaurant.

The closures will take place between the hours of 8:00AM - 4:00PM.

Traffic will be redirected to one lane for both entering and exiting the property. The East lane of South Pointe Drive will be utilized for ingress and egress during the above listed hours and traffic flow will return to its normal pattern by 5:00pm. Residents, guests, visitors, and/or contractors will experience delays as a result.

Management will assure that Security will be on post to direct traffic and keep the traffic flowing safely.

We apologize for any inconvenience this may cause.

Sincerely,
