Hey [REDACTED].. [REDACTED] says they have no need for any of the furniture in =storage at 71st(old white shit from 11P) or the items from 3M. I"m =trying to figure out what the heck to do with it all.. I think just =onate it or see if Lyn and Jojo want any of it. It would be nice to be =ble to use this navy bed somewhere since it's pretty new from Room and =oard. I can't remember what type of bed is in 11B and 10N.. I think =oth are queen size silver metal frames? Do you recall? If one of them =as a full size, I would switch it out for this queen. Thoughts?
