Attached are some images of customized Rubix Horizontals as well =s some long low media cabinets we've done for past clients. Keep in =ind that we can tweak all elements from the door/drawer configurations =o the hardware to the style of legs/bases to come into line with your =esthetic. There is an enormous range of what we can do in terms of =ustomization. Just let us know what you need (overall dimensions, =eatures and finishes) and we can collaborate with you to come up with =he perfect designs for your space. And, if you provide images of =tems that you like we will try to reproduce them in the dimensions and =inishes that you're looking for.
