Thank you!

This is perfect. He would like to go ahead with this design!

Now everything is approved except the 2 rugs for the guest room 1, which I just sent you the new design concept.  
Do I need to sign each approved CAD and send back to you?

Hi Kim,

Is it possible to modify the current CAD of the master bathroom rug to add an addition stripe in all 4 corners that is 11" wide like the ones I drew in? Also, to change the blue to BL202. Thank you! =o:p>
