I think it all looks good, except I would go for the white KitchenAid mixer instead of black, and the Vita Mix in Stainless Steel from the =heir website.

I think we also need a few nonstick pans in 3 sizes(for my burrito =aking ;)), some spatulas, measuring cups and measuring spoons..

I mentioned the total to JE and if he was interested in looking it over, =nd he just said to make sure the toaster is a good one..

We need all of the things on the list, so I would go for it..
