Hey [REDACTED]..

are you at 301 by chance, or will be later?

I have not heard from Story all day today. His phone was stolen 2 days ago and he still doesn't have a new one, and he's not responding to =mails. He had a friend visiting from LA staying in his apt, but his =riend said he waited for him in the apt till 12:30pm, but no sign of =im. It's so strange. would you mind going to my apt and checking if he =s there, and knocking on 4M door? I'm starting to get worried..
