Of course I can do that for you!

I'm heading back to the city for an appt at 1pm which should last 2 1/2 hours (eyelash extensions, Yaaaay!). So I should be finished in time to send the shoes out today assuming you already received payment?

Hey ya [REDACTED]

I have a favor to ask.. I sold a pair of shoes on ebay, but I'm on LSJ.. I was wondering if you would mind sending them from the post office for me, or else I could have [REDACTED] grab them from my apt and bring them to LSJ and I can ship them from here. I hate to ask, but won't be back in time before I'm meant to ship them. Lemme know what you think.
