I have sent down the small original sample of the rug that's in the flag pol= pool. Can you place it on top of the rug there and take a photo which show= the difference in color so I can show Sacco how much it's faded.

Also, I sent down the large canvas photo for the frame for 5 Palms to be str=tched. I had the printer make the photo area an inch larger than the dimens=ons you gave me in case the opening of the frame wasn't perfect all around.=You will need to reiterate what size it should be stretched to when you tak= it in.

I also sent down a bunch of small colored linen samples..about 100 different=colors that I'd like JE to choose some colors to get placements and napkins=for LSJ.
