Ok cool. I need to confirm which table base he would like if you could go on=the website and let me know. There are 3 choices.

<http://www.americanchairs.com/>

Also, I don't know what chair style and barstool style he wants and in what c=lors. I ordered samples of the chair materials so he could see the colors t=ere against the banquet, but they didn't arrive in ny before he left. They m=y be in ny now, I can check. I need to find out from him if he wants me to f=y to the island tomorrow or not(could you ask?) If I do, I can bring the samples with me(if they are in ny) otherwise, I can=t order the chairs until he sees and approves the color and tells me what s=yle he wants.
