I wish you were here too! One day we will have a girls Paris trip!  
So should I buy the white large one for you here?

>> Ok, so the large tote here is 750 euros, in us it is \$1065. They are equa= in that respect with the currency exchange. It would be the detax where it= cheaper in the end. I think it's 20% back, which would be \$213. I'm only o= my phone trying to check this though. Maybe you can confirm the detax rate=and let me know what you wanna do. Do you want it personalized as well?
