I'm not positive.. on the ranch now, going to LA on Tuesday, then hopefully back to NY on Friday or Saturday.. I'm sorry we didn't get to meet up this week. I always seem to be so overwhelmed with things to do before traveling again.. it's exhausting!
I really do hope we can hang soon..

Finally got an email from him!
He said he left he apt this morning, came back at 4pm, and took a nap. I'm so annoyed he never bothered to email me all day.. at least in the morning to say hi or anything. so annoyed.
