No worries..

It will be nice to have him back.. all he needs now is to find a job!

He is in NY now, going back to PB tomorrow, then back in NY Sunday. His =lan is find a Mon-Fri job so he can go back to PB on the weekends.

I know we will need apts this Sunday night for the pilots, and I know =hat ████ bro is in one this week.. so wondering if it's best if I tell =tory to hold off on putting his things back in until Monday?

Wanted to get your thoughts about it..
