Scott has not been officially hired as our IT guy. He is currently only consulting for our apple issues right now.

Hi Lesley,

Januiz was still in 11B last night, he said he didn't get an airline ticket yet, so I went to Story's apt, he was very nice to offer me his place, and I thank him very much,.

Dave and I will depart for airport at noon today for cleaning lady to attack the apt's,,

I'm in 4M and Dave was in 10N,

thanks again, for accommodating us,

also, Dave said Internet was not working in 10N, it was working fine when I was in there last week, in case Scott the new IT is able to put that on his to-do list, just heads up,.
