Hi [REDACTED],

Couple of items

We only have 2 Queen White Duvet Covers, will use in rooms 1 & 3, 4 sets queen sheets - clearly will need more

We have 2 decorative blue striped pillows, 1 decorative purple pillow - no inserts

We will pick up pillow liners and extra mattress covers, 1 each not really enough

Towels, confirming my conversation with you using white towels all guests rooms & JE, have enough at this stage for JE only

Will keep you posted as things come up

Warmest regards
