I left my camera in the right hand drawer of Lesleys office in the oval room. [REDACTED] I dont know if you are going past 71st this week, or if you are going Les? If you are it would be great if you could take it so [REDACTED] can bring it to Paris with her. Je mentioned again me going somewhere to take pictures of tiles or something when he is in Africa so would be great to have it in case!! Thk you :))
