Hi Tim,

Jeffrey asked that I touch base with you about tonight's dinner at his home. He told me he asked you to place an order for take out and I will have someone pick it up and bring it to Jeffrey's house for 7:30pm dinner tonight. There will be 9 people total for dinner including yourself and [REDACTED]. If you could please let me know where you are ordering from and what time I can send someone to pick it up, that would be fantastic. My cell is [REDACTED]. I look forward to hearing from you!

Best,
