A refund of \$1,989 has been put back on my Amex for the return of these sinks..  
(There was a restocking fee for returning them)

Gary,

I was informed back in December the attached purchased by [REDACTED] was for the below job

LSJ # 1004 cost code 15-401

Now I'm just hearing these sinks were not used for this project so what I would like to know is where are these sinks and why do we have a breakdown in communication. This was posted to the job and if it was not used then we need to reclass this expense.

Thank you
