hi [REDACTED]

my friend is a girl not a guy, she is actually my girlfriend, so she will stay with me. i told jeffrey before about her.

i don't want to bring her because she is my girl friend, but because she is good in venetian plaster..she is freelancer artist too..we worked in some projects together before.., and in the same time everybody is busy now, or some have small kids and they can't leave new york.

her name is young iee park, and she is south korean.

i don't know if there is a problem, but usually she gets checks on her mother's name. she is in us with student visa, but her mother has greencard.

thank you,

ion
