Importance: High

Hi Ramata,
He may have left a pair, but I don't think it would be worth the shipping cost to send them to us! They are just basic reading glasses, not prescription, so I can easily get others.
Thank you so much!

Dear [REDACTED]

I hope you had a safe trip back!

We found a pair of eyeglasses. Did M. Epstein forget his mine?

If so, please advise an address where I could send it to you.

Thanks and best regards,
Ramata
