It should be Misc. items.. not "music"

We bought a bunch of misc. items for LSJ from this store in London..some =apkins, walking sticks, decorative items, etc..  
There were =lso some photos for 71st in the same =urchase..

I was informed back in December the attached purchased by [REDACTED] was for the below job

Now I'm just hearing these sinks were not used for this project so what I would like to know is where are these sinks and why do we have a breakdown in communication. This was posted to the job and if it was not used then we need to reclass this expense.
