Hi Steve,

Sorry this took so long, but the last panoramic photo of the ocean I =ent to you was approved for printing! The only thing is, the large size =lice of the photo you had printed, the photo was only 54" tall in the =ample, when the actual photo needs to be printed 57" x 530" and there =eeds to be about a 4" border of blank canvas around the photo to help =ith the mounting process. So overall the complete piece of material =ould be 65" x 538".

Thank you!
