Dear Jeffrey!

Dear [REDACTED]

Good news. I found the original=plans at the Magistrat today. I had to copy them (only black and white was p=ssible), so I also took some pictures with my cell. Right now I only can se=d you the pictures, as the data size of the paper copy is too large for ema=l. Should I send them by airmail.

I hope this will help.

If you need anything else, please let me=know.

Could y=u please give me some information of your next steps?
