Yes. It would be nice to take all that with us on Sunday. I know we have frames already on island. I will try and get sizes and just print new photos to fit the frames. Did he say what kind of rug for the office?

I think he means we should print the stuff you looked at at Leah and Miami and he will take it with him to the island. Does that make sense?

Talking of pics for the wall, in his list of things to do, he mentioned 2 pictures for the temporary office, one above the printer and one above the shelves in between the 2 doors (next to the one door we walk in). Also he would like a rug for the floor. Should we try organise this week?
