OK great.. we can wait for that and I can email it to them. thanks.</=iv> Also, could I ask you a favor? I'm have new wood floors put in my=apt starting today over the next few days. Neither Story or I are in town= and I was wondering if you wouldn't find just stopping by and checking i= on them. I want the workers to know that there is someone around. I don'= feel comfortable with them in my apt alone all day and thinking we are o=t of town. thanks!
